

Customizable Seminar Options

Paul draws from his 40 years as a pastor and prayer leader as well as his life experiences and practical, proven methods of growing a deep and strong prayer life.

His teaching sessions are 50-60 minutes and Paul likes to incorporate creative ways to pray through corporate prayer, breaking up into small groups, asking for volunteers, etc.

Taking notes while listening helps most people to learn and retain information more effectively, so Paul's session handouts are geared toward this method.
