## Five Finger Prayer

**FINGER ONE**—Your thumb is close to you, so it will represent those who are close to you. It reminds us to pray for your family members, relatives, and friends.

**FINGER TWO**—Next comes your pointer finger. This finger reminds you to pray for people you want to point to Jesus. Pray for those who don't know Jesus' love.

**FINGER THREE**—Your third finger represents those who are in authority. It is the biggest finger and the strongest one. It stands for leaders, pastors, teachers, and parents.
